To whom it may concern,

I am delighted to be asked to provide a reference for Joe Sorrentino. It has been my pleasure working directly with Joe, as a customer and client, of CharterTV3, over the past 3 years.

Since the beginning of our collaboration, Joe has worked superbly, as the video editor, of a monthly television talk show I host called, New England Pride TV, where I talk with local guests, regarding matters in the LGBTQ community. Joe has been extremely helpful coming up with graphic elements for the show open and lower third information, for me and my guests.

Every month, I have noticed Joe's initiative, on his own, to also incorporate additional graphic elements, during show segments, which have further enhanced show productions. Whenever I have had suggestions and ideas to include, or remove from my show, Joe has always been easy to talk to and shown his willingness to help. My guests have also mentioned to me how pleased they are with Joe's work and level of professionalism.

I am exceedingly pleased with the work Joe has put into my show and feel he is exceptionally good at his job. Joe has always maintained a standard of excellence, putting forth a show I can be proud of. I enthusiastically recommend Joe Sorrentino as a candidate for employment. He will make a fine addition to any company. If you have further questions, I can be reached at [dale@dalelepage.com](mailto:dale@dalelepage.com)
